*N.M.C. History in the Making*

AMERICA . . . A LAND OF FREEDOM AND OPPORTUNITY . . . A LAND BORN OUT OF 200 YEARS OF STRUGGLE FOR FREEDOM AND UNITY, A STRUGGLE WHICH STILL EXISTS IN MANY WAYS TODAY. THIS AMERICA, OUR HOME, CAME ABOUT BECAUSE OF DESIRES FOR FREEDOM FROM OPPRESSION AND FOR FREEDOM FOR A PERSON TO MAKE A LIFE FOR HIMSELF AND THE OPPORTUNITY TO IMPROVE THAT LIFE.

NORTHERN Montana College also came about because of desires . . . the desires of many people to develop an institution of higher learning to serve the northern part of Montana. Northern too has encountered many struggles throughout its history, and has been victorious in all of them.

A bill was first passed in 1913 authorizing the establishment of such an institution and also bringing about the first of many struggles. Attempts were made from the time of passage of that bill in 1913 until 1927 to get a bill passed which would provide funding for the school. In 1927 a bill was passed which included the school as part of the University system, but still no funds were made available for its operation.

THE community of Havre began to actively campaign for these funds in 1929, and the legislature finally passed a bill providing the funding necessary to get the school started.

THE doors of Northern Montana School opened on October 1, 1929.

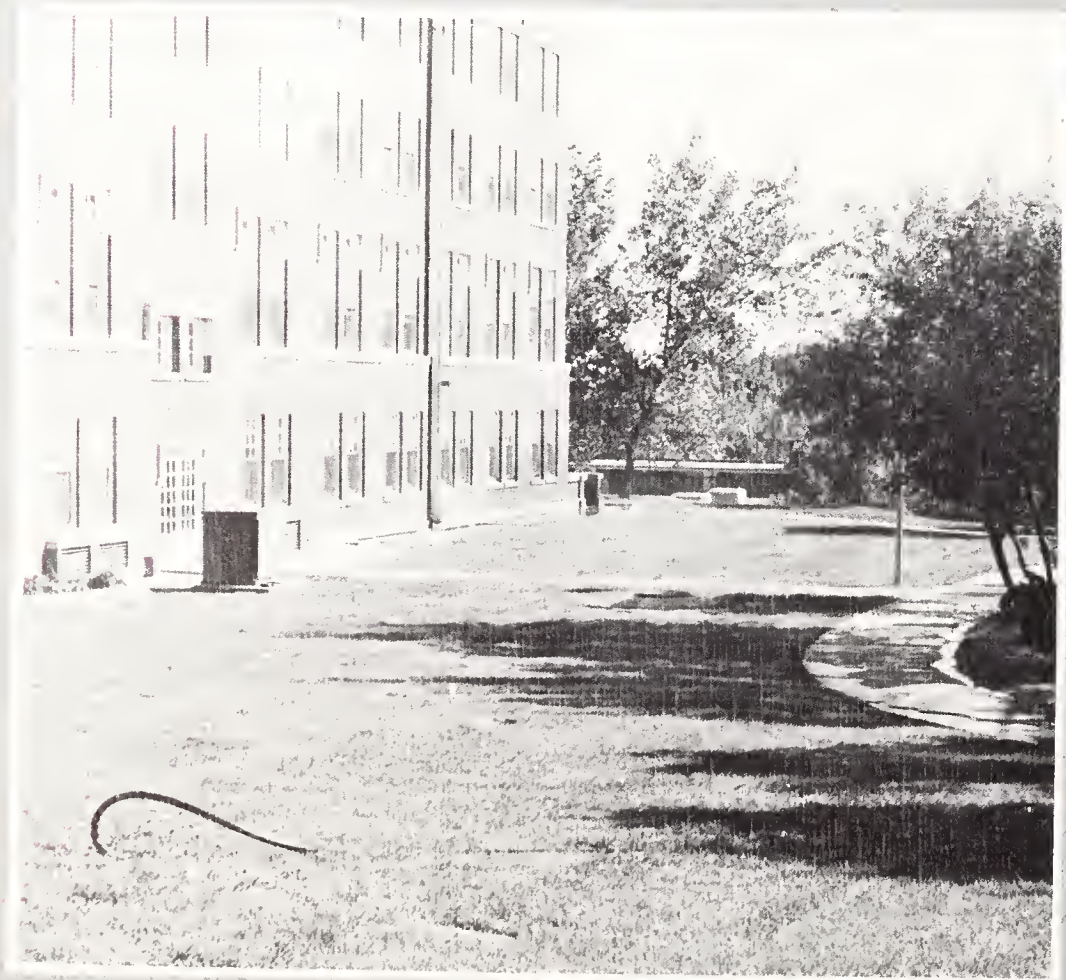

THE second major struggle faced by the school was in 1933 when a bill was introduced in the legislature to close the college. The community again arose to the occasion and the bill was defeated.

THE struggles Northern has faced since that time have dealt mainly with the problems of obtaining funding for buildings and curriculum development. The one exception to this occurred in 1973 when the college again faced the possibility of being closed. The community and the students met the problem and the college remained open.

THROUGH the endeavors of many people for over sixty years, Northern Montana College stands as a symbol of freedom. That freedom is available to all who wish to better their lives by obtaining a higher level of education.

Top: The John J. Pershing Hall was the second building erected on the campus. It was built during the depression with materials hauled into Havre from Fort Assinniboine. This building has housed all the departments at one time, and is still in use now, housing the Fine Arts Department.

Bottom: Graduation exercises were at one time held on a stage-like part of Pershing Hall. That area has since been built in and contains the present choir room.

A new precedent was established in this, the Bicentennial year, by A.S.N.M.C. when a traditional winter quarter festivity was rescheduled to take place in the fall. Northern's Homecoming activities gave us all a week of fun and excitement with such events as the traditional homecoming game and a mini-Olympics evening featuring a water polo game and a jello-snarfing contest. Also included in the festivities were several cultural events — an art show by Dr. Lane, a Children's Theatre production, and the fall Band and Singer's concert. The week's activities were climaxed by the crowning of Miss Nancy Milam as Homecoming Queen.

## Winter Carnival

Winter Festival proved to be a great success this year, despite the fact that there was very little snow to enjoy. Monday night's entertainment was a real treat for all with the showing of "American Graffiti." Tuesday evening brought a first to N.M.C. with a "Can You Top This Nite." Some of the records set that night include 3½ pounds of ice cream eaten by Bob Plouffe, pickle eating by Jim Dolph, 8¾ in 10 minutes, and doughnut eating with Steve Berg putting away 12 in 10 minutes.

Top: Dean Clikeman, Mr. Clawson, and Dean Bryson display their talents as emcees of the annual talent show.

Left: Zarren Pasma and Jean Terry received an honorable for their performance of a duet from an Italian opera.

Right: First place winner Byron Hould performed two original songs.

Left: An honorable mention also went to Bill Haglund, who read several poems he had written.

Right: Northern's own John Denver, Dave Young, took third place with some vocal selections.

## *2nd Annual*

N.M.C.'s second annual Olympic Day was enjoyed by many students from the dorms as well as off-campus students. Team members participated in a variety of contests ranging from hoola-hooping to ice cream eating.

## *A Smashing Success*

The 1976 Miss N.M.C. Scholarship Pageant can be viewed as a complete success. Pageant directors Zarren Pasma and Penny Stevens applied their talents and gave new life to a dying event at Northern Montana College. This year's pageant hostess was Judi Ford Johnson (pictured at left), Miss America of 1969. Also featured was Diana Pacini, Miss Montana of 1975 and Penny Stevens, 1975 Miss N.M.C. Six lovely contestants competed in this year's pageant to make it one of the best that N.M.C. has had in several years. The contestants were Laura Schaub, Havre, Lois Iversen, Sidney, Calista Montgomery, Chinook, Sandi Vosen, Kremlin, Jean Terry, Great Falls, and Terry Sanders, Kalispell.

# *Parent's Day*

N.M.C.'s first annual Parent's Day was held May 8th. The weather cooperated for a change and the sunshine was a delight to all. Both parents and students joined in playing softball, volleyball, horseshoes, and frisbee. Entertainment was provided by the Northern Singers, N.M.C. Dixieland Band, and a local group, "Montana Crude." Planners Mark Bruce and Steve Krause proved through their efforts that such an event can be successful, let's hope now that it becomes a lasting tradition.

## Golf, Tennis, and Track

### Track Meet Results

by Dick Clark

The conference track, tennis and golf meet was held April 30 and May 1 in Butte with Northern teams showing a mediocre overall performance but with some fine individual talent being surfaced.

In the track competition, Northern fared a fifth position behind Western (122), Carroll (44), Eastern (32), Tech (29). Only Rocky and CGF finished behind Northern. Our arch rival CGF did not score a point in the competition, wonder why I never heard anything on the TV or read it in the Tribune?

Fine individual performances were turned in by Butch Marshall, Rod Luft, Bunny Rider, Fred Paulsen and John Scott. Each one placed at least third and thus qualified for regionals in Minot, May 8. Marshall alone was

able to grab three firsts and a second to lead the Northern track squad.

In the tennis competition the Lights were able to make their best showing with the men's team of Ed Joiner and Bunny Rider placing second and the women's team of Mary Culbertson and Jean Unruh coming out on top. Golf, on the other hand, was a complete disaster as the Northern duffers came in a dead last.

Results:

**Men's track-100:** Ron Fuhrmen 7th, **200:** none, **440:** John Scott, 3rd; **880** Claypool, 6th. **High hurdles:** Butch Marshall, 1st; Rod Luft, 3rd. **Six mile:** Fred Paulsen, 3rd. **High jump:** Marshall, 1st. **Long jump:** Marshall, 2nd. **Triple jump:** Marshall, 1st. **Pole vault:** Bunny Rider, 3rd.

### Marshall in NAIA finals

When spring rolls around, some college students begin making plans to go home.

Butch Marshall of Northern Montana College starts making plans to go to Arkadelphia, Ark. He went last year, and this year he's going again.

Arkadelphia isn't home for Marshall; that's in Chester. But it's almost a home away from home for the long jumper and hurdler; he was there last year for the National Assn. of Intercollegiate Athletics track and field championships.

And that's why he's going this year; to take another shot at the long jump championships.

He won that event this past weekend in Minot, N. D., in the district NAIA competition, soaring 22-4<sup>3</sup>, for first place among jumpers from Montana, North Dakota, and South Dakota. Earlier, he had marked first in Montana competition in the long jump

with a leap of 22-5, first in the 120 high hurdles at 15.3 seconds, and first in the triple jump at 46.7.

In Minot, he placed fifth in the triple jump and fell down in the hurdles, which is too bad since his time of 15.3 in Frontier Conference competition was faster than the winning time in Minot. Last year, Marshall won the high hurdles event.

In Arkadelphia, Marshall will face some stiff competition in the long jump. The longest jump of the year has been recorded at 23-10. His longest jump was last year at 22-8.

But, with a spring in his step and accompanied by Northern Montana Coach Tom Nielson, he's off to Arkadelphia to try.

## Intramural Activities For Spring Planned

Word from the I-M Department shows that most of the upcoming events are in the planning stages. Mrs. Compton says that up-coming events will include such things as co-ed pool and table tennis. She also made mention of the lack of participation on the part of the students in the forming of teams for a softball league. Presently there are four teams and more would like to be added. For further information contact the I-M office.

As a final note the results of the bowling tournament are in, with the following teams taking home the prizes; first place belongs to Team 8, Jim Lake, Dick Neill, Shirley Habel, Janet Tams. Second place went to Team 7, Bob Cosenhauer, Alice Nelon, Lloyd Allen, Ruth Johnson. Third place went to Team 11, Mike Evans, Shonny Keller, Larry Pyle, Karen Funk.

Trophies will be awarded to the winners.

# Graduation

1976

As another year draws to an end, I find myself looking back on this year, as well as on the past four years. Northern Montana College has provided to me and many other students many experiences to all who were willing to take them in and gain knowledge from them. In putting together the 1975 and 1976 editions of the NORTHERNER, I sincerely hope that the contents will help you to recall these experiences in later years, and will also be relevant to your years spent at Northern.

Sincerely,

Debbie Krause,  
Editor
